358. Proposition from 18 Municipal Councillors *re* reconsideration of the Chief Sanitary Inspector Mr. C. Basavalinga Chetty's case.

Resolution passed by the City Municipal Council, Mysore, held on 28th April 1928, regarding the Chief Sanitary Inspector:—

"Moved by Mr. E. Ramaswamy Iyer, that the Chief Sanitary Inspector may be retired compulsorily as the Municipal Council find his work unsatisfactory and can find no work for him, seconded by Mr. K. Dhanakoti Chetty and carried (9 for and 7 against)."

Proposition.—In view of the fact.

(*a*) that the above resolution regarding the retirement of the Chief Sanitary Inspector was passed without any previous notice of the same being given on the Agenda and could not have been introduced by way of an amendment on the Governmet Order issued about him.

(*b*) That the Government Order assigning certain duties to the Chief Sanitary Inspector, *viz.*, control of Markets in the City and of Kannegowdana Koppal was set at naught instead of being either adopted or referred back to the Government.

(*c*) That the punishing of a Government Official without framing specific charges against him and obtaining ***no explanation at all from him*** is opposed to the Standing Orders of the Government, in spite of the fact that the Chief Sanitary Inspector's good work, especially during the recent severe outbreak of small-pox in the City, was commended to the kind notice of the Municipal Council and that his 22 years in this Municipality, has all along been approved of, by his superior officers.

(*d*) That the passing of the above resolution regarding a Government Official lent to the Municipality and Proceedings connected therewith are ultra vires, as being opposed to the Provisions of Section 26 Clause (3) of the Municipal Regulation.

(*e*) That the procedure adopted in this connection is all irregular and uncalled for.

The aforesaid resolution be cancelled and the same be communicated to the Goverment.

Resolution.—Proposed by Mr. M. P. Bhogiah and seconded by Mr. Mohamed Sait, Mr. P. Sitaramiah proposed an amendment which was disallowed by a majority.

The proposition for cancellation of the previous resolution was carried by a large majority (16 for and 2 against).
